**ALTERNATIVE OWNERSHIP 101**

Alternative ownership offers an additional or 'alternative' option to the more common ideas of a stand-alone hotel or integrated resort. This crash course presents an overview of the different Alternative Ownership business models and the significant market potential and possibilities they offer. For investors, owners or developers looking to monetize undeveloped resort real estate, repurpose or further optimize returns on existing inventory. A special takeaway will be provided for all session attendees.

Speakers: **Paul Dean**, Principal, Dean & Associates, Ltd.  
**Jim Sabot**, Principal, Dean & Associates, Ltd.
